Fractal patterns

God creates in fractals. Our bodies are fractals of God's body. Our hands are Souls, Arms are Oversouls, and the Core of our body is God. From God's perspective as our body, each body part is loved equally, therefore each Soul and each Oversoul is loved equally, because all are parts of the same body (God). So now you can see that God loves all equally.

Then what about distortions like evil? Evil is like cancer. The body cells attacking themselves through free will choices. The immune system is like God's Law of Cause and Effect. It guides evil toward health by showing it the results of its actions. Energy is always conserved. But what about cancer that is not stopped? The body dies. God doesn't want the body to die but free will chooses the outcome. But the body dying is simply a transfer of form, and the Soul is still living. God/Soul lives while evil dies, but it is a free will choice.

God wants that you choose a fulfilling life, because that reflects God within you, as God wants to be fulfilled. But it is up to each person to make choices that align with God's Will, to be living the Law of One in all actions.
